Salary System

July 1, 2024 - June 30, 2025

Salary

The compensation model bargained is the B.A.R.I.C. (Bargaining, Analyzing, Researching Information for Compensation) Program.

Under IC 20-28-9-1.5, a compensation model must use a combination of the following factors:

- Years of experience
- Possession of an additional content area degree or content hours beyond the requirements for employment.
- Evaluation results
- Assignment of instructional leadership roles
- Academic needs of students in the corporation

Salary Range

The salary range for returning teachers, prior to any increase, is \$45,543 to \$79,425.

Eligibility Criteria

1. To be eligible for a salary increase, a teacher:
 - a. Must not have been rated ineffective or improvement necessary in the prior year, AND
 - b. Must have been employed at least 120 days in the prior year,

A teacher who does not satisfy these eligibility criteria remains at their prior year salary. A teacher who returns to a rating of effective or highly effective after being rated ineffective or needs improvement in a prior year will not return to the salary schedule but will receive the same increase that other eligible teachers receive.

Salary Increase Factors and Definitions

1. Evaluation: Teachers received an evaluation rating of highly effective or effective in the prior school year.
2. Education: Additional content area hour or degree attainment. Per the Indiana Department of Education, the definition of “content area” is a subject or field of knowledge or expertise that appears on a license that reflects that the license holder has met necessary testing and/or preparation/training requirements. Under the licensing rules found at 511 IAC the term “content area” describes instructional areas (examples: math, language arts, science, etc.), school services areas (examples: school counselor, school

nurse, etc.), and administrative areas (examples: building level administration, district level administrator: director of career and technical education, etc.). Only a licensed Master's degree in the content area will move a teacher to the Masters (MS) column on the Salary Schedule found in Appendix A. Courses must be graduate level in the content area for the MS and MS+15 columns. To earn MS +15, all courses must be taken after the MS is reached.

Distribution - Placement and Movement on the new Salary Schedule (Appendix A)

The 2024-2025 salary schedule removes salaries from Column 1 which is why it has been blacked out. No diagonal movement will occur in the current year.

1. Teachers who were in Column 1 (Bachelors) in 2023-2024
 - a. No returning teachers from Column 1 in 2023-2024 earned content area hours or degrees.
 - b. Teachers who were in Column 1 in 2023-2024 will be placed on the new salary schedule in Column 2 (Bachelors) on the same row as 2023-2024. No additional row or column movement will occur. This placement results in an increase of 6.518% which is attributed to evaluation.
2. Teachers who were in Column 2 (Bachelors+15) in 2023-2024
 - a. Teachers who were in Column 2 in 2023-2024 and did not obtain a content area master's degree will be placed on the new salary schedule in Column 2 (Bachelors) on the same row as 2023-2024 and will move down one row. This results in an increase of 5.4% which is attributed to evaluation.
 - b. Teachers who were in Column 2 in 2023-2024 and obtained a content area master's degree will be placed on the new salary schedule in Column 2 (Bachelors) on the same row as 2023-2024 and will move over one column. This results in a 6.518% increase, which includes a 5.4% increase for evaluation and a 1.18% increase for education.
3. Teachers who were in Column 3 (Masters) in 2023-2024
 - a. Teachers who were in Column 3 in 2023-2024 and did not obtain 15 additional content area hours beyond the master's degree will be placed on the new salary schedule in Column 3 (Masters) on the same row as 2023-2024 and will move down one row. This results in an increase of 5.4% which is attributed to evaluation.
 - b. Teachers who were in Column 3 in 2023-2024 and obtained an additional 15+ content area hours beyond the master's degree will be placed on the new salary schedule in Column 3 (Masters) on the same row as 2023-2024 and will move over one column. This results in a 6.518% increase, which includes a 5.4% increase for evaluation and a 1.18% increase for education.

4. Teachers who were in Column 4 (Masters+15) in 2023-2024
 - a. Teachers who were in Column 4 in 2023-2024 will be placed in Column 4 (Masters+15) on the same row as 2023-2024 and will move down one row. This results in an increase of 5.4% which is attributed to evaluation.

Redistribution

Based on anticipated evaluation results, the parties believe that all funds will be distributed, and that no redistribution will be necessary. However, in the event that there are funds that were otherwise allocated for teachers rated ineffective or improvement necessary, those funds will be equally redistributed to all teachers rated effective or highly effective in the form of a stipend paid on the last payroll of the school year.

Stipends (Not added to base salaries)

1. 2024-2025 Additional Stipend
 - a. Teachers who were in Columns 2, 3, or 4 on the 2023-2024 salary schedule and are employed with the district on May 1, 2025, will receive a one-time stipend equaling 1.18% of their 2023-2024 base teaching salary.
2. Continuing Education Stipend
 - a. Dual Credit Stipend - A teacher pursuing course work toward earning a Master's degree in their content area may receive a stipend from WBCCSC. WBCCSC will pay a \$500 per credit hour between July 1, 2024, and June 30, 2025. Prior approval of the building Principal and Superintendent is required. The stipend will be paid upon WBCCSC receiving an official college credit verifying the credits were earned.
 - b. Additional Licensure – A teacher earning additional licensure or degree in an area mutually agreed upon by the Superintendent may have the tuition and associated fees paid for by WBCCSC upon the receipt of documentation from the teacher verifying successful completion of the coursework and payment(s) made to the approved institution.

If a teacher leaves WBCCSC within the time frames stated below after earning his/her Master's degree or additional licensure, the teacher is responsible for reimbursement per the following schedule:

- 1 year – 75% of the total amount received from WBCCSC
- 2 years – 50% of the total amount received from WBCCSC
- 3 years – 25% of the total amount received from WBCCSC
- 4 years or longer – Reimbursement is not required

3. Daycare Stipend

- a. Beginning January 1, 2018, the district will pay a monthly single stipend per employee of \$100 toward the cost of daycare from August – May for dependents of certificated employees between birth and age 3 or until the child is eligible to enroll in pre-kindergarten. The following will need to be provided by the employee in order to receive payment:
 - i. Tax record or divorce settlement showing the child’s care is the certificated employees' responsibility.
 - ii. A copy of monthly billing statement from the state licensed daycare provider.

4. Pre-Kindergarten Tuition Waiver

- a. Beginning January 1, 2018, the Board will waive the tuition costs associated with pre-kindergarten program at Thorntown Elementary School and Granville Wells Elementary School for certificated staff members. Students must meet eligibility requirements established by the district to enroll in the program.

5. Non-use of Leave Stipend

- a. During each grading period, a teacher who uses:
 - i. Zero (0) days of his/her leave days shall receive a \$250 stipend.

This stipend for which a teacher qualifies shall be paid not later than six (6) weeks after the conclusion of each grading period.

Tentative Agreement

D. TERM LIFE INSURANCE

The cost of the applicable premium will be paid by the Board to such insurance company as is determined and selected by the Board, with the teacher paying no more than one dollar (\$1.00) per year.

*Subject to stipulations of and approval of the insurance carrier, a teacher who retires from teaching from this school corporation will be allowed to remain on the school corporation's group term life plan at the sole cost to the teacher **until the age of 65-***

E. LONG TERM DISABILITY

All bargaining unit members shall participate in the long-term disability plan offered by the Board of Education through the Wabash Valley/West Central Indiana School Trust (WVWCI). The plan document established by the vendor shall provide details of the coverage. The Board of Education will contribute an amount equal to the cost of the premium except for one dollar (\$1.00) to be paid annually by the certificated teacher.

F. LEAVE DAYS

1. Each full-time teacher employed under regular contract shall be entitled to an annual allotment of thirteen (13) leave days. Such allotment shall be credited the first day of each school year and unused days shall be accumulated as sick leave to a total of one hundred eighty-four (184) days. The teacher's accumulated sick days may be used following the use of 13 leave days with pre-approval from Superintendent and a physician's note provided within forty-eight (48) hours of request to be absent.

Certificated staff with 184 days of accumulated sick leave shall be compensated at the end of each school year at the rate of the current daily certified substitute pay per each unused day above the 184 day accumulation. Such payments shall be made in July of each year. This money shall be placed in the teacher's 403(b).

If school corporation revenue in the Education Fund exceeds expenditures in the calendar year by an amount between \$6,000 and \$24,000, then the amount of that excess (minus compensation pay), not to exceed \$18,000, shall be made available to fund a buyback of unused accumulated sick leave days on the following terms:

Teachers shall have the option of selling up to ten (10) days, per round, of unused accumulated sick leave back to the school corporation at the daily rate of pay for a certified substitute teacher. This option will be offered to teachers in accordance with their seniority (total years of continuous service at Western Boone) in the school corporation, with the teacher with the most seniority having priority to exercise the option, and it shall be available only to the extent of the total amount of money available as set forth above. Payment for these days shall be deposited in the individual teacher's 403(b) plan, and upon payment those sick leave days shall no longer be available to the selling teacher. Said days must have been earned while the teacher has been employed in the school corporation. To participate in the program a teacher must maintain at all times a minimum balance of one hundred (100) days of accumulated sick leave. This method shall continue in successive rounds until the available money remaining less than daily rate of pay for a certified substitute teacher. If more money is available to the school corporation than is needed to fund the buy-backs exercised under this program, the school corporation may retain such

money in its Education Fund. After selling a cumulative amount of eighty (80) days, teachers will receive a guaranteed buyback of any leave days over one hundred (100) remaining at the end of each school year.

2. A teacher employed under regular contract for only a portion of the school year shall be entitled to a proportional number of days (beginning the day they return to full-time status), and unused days shall be accumulative as specified herein.
3. Teachers shall be permitted to take one-half (1/2) day of paid leave which shall be recorded as one-half (1/2) day of paid leave.
4. Certificated staff may, in any academic year, utilize up to five (5) accumulated sick days for emergency family illness or injury (providing a written doctor's note). The staff member must first use all (thirteen) 13 leave days and submit the request to the superintendent within forty-eight (48) hours of exhausting the thirteenth (13th) leave day. These five (5) days may be used for the medical emergency of only a spouse, children, mother, father, mother-in-law or father-in-law.
5. A physician's note is required for the use of six (6) or more consecutive days.

G. TEMPORARY DISABILITY LEAVE Tentative Agreement

A temporary disability leave of absence shall be granted to teachers of this school corporation on the following basis:

1. Application of Provisions
 - a. This provision shall apply to leave in all cases where a teacher is unable to teach because of a disability substantial in nature or duration, including major surgery, pregnancy, childbirth, illness, or injury.
 - b. In case of a temporary disability cause by pregnancy, said teacher is entitled to a leave of absence any time between the commencement of her pregnancy and one (1) year following the birth of the child, provided said teacher submits with the timely notice, as provided herein, a physician's statement certifying her pregnancy, or a copy of the birth certificate of the newborn, whichever is applicable. If said teacher elects to utilize her personal illness leave under the provision of Paragraph 3 (b) herein, and said leave is exhausted during her temporary disability caused by pregnancy, said teacher may be absent without pay, subject to all other provisions contained herein.

2. Notification

After determination that such leave is imminent, the teacher shall give timely notice to the office of the Superintendent, in writing, of the anticipated date he wishes to commence said leave of absence and anticipated date of return.

3. General Provisions Covering Said Leaves are as follows:

- a. If said teacher desires to continue his duty assignments prior to the commencement of said leave, such notice must include a written statement from his physician, attesting to the teacher's ability to continue performing the full schedule of the duties and responsibilities of his position and assignments. The teacher will be permitted to continue on full active duty until such date, provided he does perform the full duties and responsibilities of his position and assignments and provides, from time to time, upon request of the Board, additional certification from his physician of his ability to continue performing the schedule of the duties and responsibilities of his position and assignments;
- b. Said teacher may elect to utilize his accumulated leave during his period of temporary physical disability, provided a physician's statement and certification of physician disability is submitted to the office of the Superintendent for any said temporary disability absence of more than ten (10) consecutive days. While on said leave, days will be paid only for the number of assigned duty days the teacher is absent which occur during the current contract term, for which a physician certifies said teacher to be physically disabled, limited to the extent of the number of days accumulated by the teacher at the time said leave commences;
- c. In all cases, the Board reserves the right to require an examination by a Board-appointed physician(s) to determine the teacher's fitness (1) to continue performing the full schedule of the duties and responsibilities of his position and assignments, and/or (2) to return to employment and resume the full performance of the duties and responsibilities to which he may be assigned. The Board shall bear the cost of such examination;
- d. If said leave extends beyond the first day of May of any year, the granting of said leave by the Board shall not prevent the Board from serving notice to said teacher on or before May 1st that said teacher's contract will not be renewed, nor will the granting of said leave prevent the Board from invoking, initiating, and utilizing the procedures established by law for the cancellation of any indefinite contract with a permanent teacher;

- e. Except for a temporary disability caused by pregnancy as is provided in Paragraph 1 (b) herein, no leave under this provision shall be granted for a period exceeding one (1) year.

H. STAFF DEVELOPMENT AND PROFESSIONAL LEAVE

1. Teachers may be granted leave with pay for the purpose of visiting other schools or attending meetings or conferences of an educational nature.
2. All special education teachers will be entitled to two (2) days of paid professional service leave to review and prepare special education case conference and IEP paperwork. This leave can be taken in blocks of half day, full day, or consecutive full and half days. The leave must have the prior approval of the principal. The employee must complete all work requirements in attendance at a specific school.

I. JURY DUTY LEAVE

When requested, a teacher may serve on jury duty. The Board shall pay the teacher his full salary provided that such teacher agrees to return to the Board all pay received for serving on such jury.

J. BEREAVEMENT LEAVE

1. In the case of death in the immediate family of a regularly employed teacher, the teacher is entitled to be absent without loss of compensation. The number of days provided shall be five (5) days within a seven (7) calendar day period beginning with the day of death or the day following such death at the employee's option. Scheduled vacation days shall not extend bereavement leave. The purpose of such leave is for attendance at last rites and attending to other personal matters of the immediate family, provided, however, that said teacher is performing duties as assigned by the Board under a valid teachers' contract.
2. This provision shall not be construed to mean five (5) consecutive calendar days for each member of the immediate family if two (2) or more deaths arise immediately out of the same occurrence. If more than one (1) death in the immediate family should occur, five (5) full consecutive calendar days shall be granted for each, limited only by the immediate death provision specified above.
3. In the case of death of other family members and/or close friends, the teacher is entitled to be absent without loss of compensation for one (1) day, limited, however, to a total of only two (2) days for such use in any one (1) year.

Tentative Agreement

4. "Immediate family" shall be interpreted as spouse, children, sister, brother, mother, father, mother-in-law, father-in-law, grandparents, grandchildren, son-in-law, daughter-in-law, sister-in-law, brother-in-law, step children, or any other member of the family unit living in the same household no matter what degree of relationship.
5. Teachers on sabbatical, FMLA, long-term disability, and temporary disability are not eligible for bereavement leave compensation under this provision unless it was granted to care for the decedent.

K.. LEAVE OF ABSENCE WITH INSURANCE BENEFITS

1. If allowed by the insurance carrier, a full-time teacher on leave of absence may choose to continue in this school corporation's group insurance program(s) provided the teacher remits the full, total premium to the school corporation's business office prior to the due date each month.

L. SICK LEAVE BANK

1. A teacher in his or her first year of employment in this School Corporation shall have fifteen (15) days from the date of initial duty assignment, or until September 15th of the school year of hire, whichever is later, to enroll in the bank by contributing one (1) leave day to the bank.

Later enrollment in the sick leave bank by teachers not enrolling in their first year of eligibility shall be available only when the committee opens the bank for new enrollment and/or accumulation of additional bank days needed to support the program.

2. To remain enrolled in the bank and be eligible for benefits hereunder, the teacher must also agree to contribute additional leave days when and in amounts determined by the committee to be needed to support the then anticipated needs of the program.
3. A teacher enrolled in the bank may be found by the committee to be eligible for and granted days from the bank under the following conditions:

 - b. Written certification will be provided from said teacher's physician substantiating the illness and certifying that the absence will continue during a period of at least ten (10) consecutive days following the utilization and exhaustion of all said paid leave benefits as provided herein;
 - c. Written application must be made no later than ten (10) days after exhaustion of said paid leave benefits; and
 - d. The teacher must have been absent for at least ten (10) consecutive duty days after exhaustion of said paid leave benefits.
4. A three (3) member sick leave bank committee shall be established to administer the bank, including the determination of whether additional days are needed in the bank, the eligibility for participation, and to process and consider requests for benefits hereunder. The committee shall be composed of two (2) persons appointed by the Association and one (1) person appointed by the Superintendent.
5. Days allotted by the committee to an individual teacher shall be available for use beginning with the fifth (5th) consecutive day of absence after exhaustion of the teacher's paid leave benefits, and subject to the proviso that any allotment to an individual teacher may not exceed 60 school days.
6. Any days granted by the committee to an individual teacher shall terminate effective the earliest date as hereinafter provided:
- a. The day after the last day of employment for the school year during which sick leave bank days were allowed, or
 - b. The day after the last day of allotted number of days granted by the committee.

ARTICLE VI

Grievance Procedure

This Grievance Procedure, hereinafter referred to as "Procedure", stipulates the conditions under which and the procedures by which grievances alleged by certain certificated school employees as defined in the Contract shall be processed. If any grievances arise, there shall be no stoppage or suspension of work because of such grievances, but such grievances shall be submitted to the following grievance procedures.

I. Definitions

As used in the Procedure:

1. "grievance" means, and shall be limited to, an alleged violation of an express article or section of this written Contract, except where such article or section is exempt from this Procedure;
2. "superintendent" means the chief administrative officer of the school corporation, or any person(s) designated by him to act in his behalf in dealing with school employees;
3. "grievant" means the certificated school employee directly affected by the alleged violation making the claim;
4. "days" means school days during the school year, provided, however, that "days" means week days during the summer recess (excluding Saturday and Sunday).

II. Structure

1. Nothing herein contained shall be construed as limiting the right of any certificated school employee having a grievance to proceed independently of this Procedure, provided, however, utilization of any such independent procedure shall bar subsequent use of this Procedure for settlement of said grievance.
2. The grievant may be represented by any person(s) of his own choosing at all levels of the Procedure, limited however, to a total of two (2) representatives.
3. There shall be no additional evidence, material, allegation, or remedy submitted to the grievant or his representative during the grievance process, once a formal grievance has been filed at Formal Level One.

III. Procedure

The number of days indicated at each level should be considered as maximum. The time limits specified may, however, be extended by mutual written agreement of the grievant and the Board.

A. Informal Grievance

Within seven (7) days of the time the grievant first knew or should have known of the act or condition upon which it is based, the grievant must present the grievance to his/her principal or immediate supervisor or his/her designee by meeting with him/her individually in an informal manner during non-teacher hours. The grievant may be accompanied by a representative as provided herein, provided his/her principal or immediate supervisor is informed in advance of the grievant's desire to have a representative present. Failure to so meet and discuss said alleged grievance as provided herein shall prevent the grievant from filing said alleged grievance at any formal grievance level (s). Within seven (7) days after presentation of the grievance, the principal or immediate supervisor or his/her designee shall give his/her answer orally to the grievant.

B. Formal Grievance

1. Level One

- Tentative Agreement
- a. Within five (5) days of the oral answer, or within twelve (12) days after presentation of the grievance at the Informal Level if no oral answer has been rendered, if the grievance is not resolved, it must be filed with the principal or immediate supervisor or his designee in writing, signed by the grievant, on the appropriate form provided by the Board. The written grievance shall name the certificated school employee involved, shall state the facts giving rise to the grievance, shall identify by specific reference all express articles or sections of this Contract alleged to be violated, shall state the contention of the grievant with respect to the provision(s) of said articles or section, and shall indicate the specific relief requested.
 - b. Within seven (7) days after receiving the written grievance the principal or supervisor or his designee shall communicate his answer in writing to the grievant.

2. Level Two

- a. In the event that the grievance is not resolved at Level One, or if no written decision has been rendered within the time limit provided, the grievant may appeal the decision to Level Two provided said appeal is filed with the Superintendent within ten (10) days of the receipt of the written answer at Level One or within seventeen (17) days after presentation of the grievance at Level One if no written answer has been rendered. The appeal shall include a

copy of all materials and evidence previously submitted and a copy, at the same time, shall be given to the principal or supervisor or designee involved.

- b. The grievant shall submit the written claim, signed by him, to the Superintendent of Schools. Within ten (10) days from the receipt of the grievance, the Superintendent shall render a written decision to the grievant as to the resolution of the grievance. The Superintendent may hold a formal hearing(s) prior to the rendering of the written decision, and an additional fourteen (14) days beyond the ten (10) days shall be allowed if the Superintendent determines further investigation is necessary.

3. Level Three

In the event the grievance is not resolved at Level Two, or if no written decision has been rendered within the time limit provided, the grievant may submit the grievance to the Board provided the grievant files said written appeal with the Board within seven (7) days of the receipt of the Superintendent's written answer, or, if no written decision has been rendered by the Superintendent either within seventeen (17) days or within thirty-one (31) days after presentation of the grievance at Level Two, whichever is applicable. Upon receipt of said appeal, the Board shall consider and finally rule on the disposition of the grievance.

4. Miscellaneous Provisions

1. Decisions rendered at Formal Level One, Level Two, and Level Three of this Procedure shall be in writing.
2. All documents, communications and records dealing with the processing of a grievance shall be filed separately from the personnel files of the grievant.
3. All necessary forms for grievance procedures set forth in this Procedure shall be provided by the Board.
4. Failure at any level of this Procedure to render the decision on a grievance within the specified time limits shall permit the grievant to proceed to the next level, unless said time limits be extended by mutual written consent of both parties. However, the grievance must be appealed by the grievant to the next level within the specified time limit for that level or said grievance shall be deemed resolved by the Board's answer at the previous level and abandoned.
5. Any hearing at the Informal Level and at Formal Level One, Level Two, and Level Three shall be held during non-teaching hours unless otherwise directed by the Board.

Tentative Agreement

6. No certificated school employee shall use this Procedure to appeal any decision by the Board or administration for which there is another remedial procedure or forum established by law or by regulation having the force of law.
7. No certificated school employee shall use this Procedure to appeal any decision by the Board or administration if such decision is applicable to a State or Federal Regulatory Commission or Agency.
8. Certificated school employees shall follow all written and verbal directives, even if such directives are allegedly in conflict with this Contract. Compliance with such directives will not in any way prejudice the certificated school employee's right to file a grievance within the time limits herein, nor shall compliance affect the ultimate resolution of the grievance.
9. This procedure supersedes and cancels all previous grievance policies or procedures, verbal or written or based on alleged past practices or procedures and constitutes the entire procedure for the processing of grievances.
